## Features:

- The Match Champion™ Model is designed with the competitor in mind. With its ergonomic enhancements and tuned action, the Match Champion™ delivers fast, accurate shots and takes the popular GP100® to the next level. It features a contoured cylinder, an adjustable rear sight and fiber optic front sight, Hogue® hardwood grip with stippled sides and a slab-sided, half-lug target crowned barrel.
- Patented grip frame design easily accommodates the use of a wide variety of custom grips.
- Patented Ruger transfer bar mechanism provides an unparalleled measure of security against accidental discharge.
- Triple-locking cylinder is locked into the frame at the front, rear and bottom for more positive alignment and dependable operation shot after shot.
- Easy takedown of integrated subassemblies requires no special tools and allows for no hassle maintenance and assembly.
- Also features a slab-sided, half-lug barrel and hard plastic case.
