DPMS 308 / 7.62 NATO

LR-308

RFLR-308
MSRP:
\$1,199.00

[ORDER RIFLE](#)

This rifle catapulted DPMS to new heights. This rifle started it all for DPMS and ushered in a new era of AR performance. While challenging the misconception that semi-autos could not be accurate, the LR-308 remains on of the most popular target rifles, routinely shooting amazingly accurate groups, and taking some of North America_s largest game animals.
