<p>Increasing your own bid/Bidding Errors

Please be aware that many bidders routinely increase their own bid to price an item out of reach of other bidders. Our software will allow you to increase your own bid due to this bidder/buyer strategy. Therefore you should immediately review your bids once submitted. If you mistakenly increase your own bid, place your bidder number in the bid field, or make a typo you must immediately contact the project manager and notify them of the issue. We will not reverse bids after the auction has closed no exceptions.

<p>Staggered Closing:

The online auction closes (number of items per minute is included in the auction header) item(s) every minute. This feature will close the bidding on intervals. This feature works great with the auto-extend feature to closely emulate a 'live' auction. If an item receives a bid within 5 minutes of ending the item will be extended 5 additional minutes. Please remember to hit the "REFRESH" button to know the time remaining on any items.

<p>Dynamic Closing.

The closing time of an asset is automatically extended an additional 5 minutes whenever a bid is placed within the last 5 minutes of the asset's closing time. Otherwise the closing happens just as the start with each item closing at the same interval of separation as when they started.

<p>Bid Notification:

If you have been outbid you will be notified by email ONLY UNTIL the last day of the auction --- starting at midnight EST the night before the ending of the auction notices are not sent.

<p>Winning Bidder Notification:

You will be contacted by email ONLY (you are responsible for checking your email) If you feel you have won an item and have not received an email you must notify us by email or call the contact number given (Brandon Bartley 740-474-5600 or Brandon@LowCostCarsOhio.com) immediately.

<p>WARRANTY & CONDITION OF ITEMS SOLD:

All items are sold "AS IS, WHERE IS", with NO WARRANTY expressed or implied by the lot number affixed to the item, without any implied or expressed warranty. Descriptions are believed to be accurate but not guaranteed. If you are not certain of the condition or use of an item, please bid accordingly.

<p>Bidders are responsible for their own removal/pickup. Any item NOT picked up by the set time will be considered abandoned. Removal shall be at the expense, liability, and risk of the purchaser. Purchases will be released upon presentation of a paid receipt. Please ensure that movers or anyone picking up items on your behalf have your paid receipt(s) at the pickup location. No items will be released without a paid receipt.

<p>IMPORTANT! The Auctioneer will have the option of reselling, removing, storing or abandoning, at the expense and risk of the purchase, items not paid for and/or removed within the specific time. The buyer agrees to pay all deficiencies, legal, collection; transportation and storage expenses associated with delinquent accounts or abandoned items.

<p>CHOOSE WISELY:

We want everyone to get a good deal and most will. However, please be sure that you want and get the item(s) on which you bid because ALL bids are final. When in doubt about condition, completeness or suitability for intended use, please bid accordingly and PLEASE PREVIEW ALL ITEMS WHEN IN DOUBT.

<p>Any controversy or claim arising out of or relating to this contract and/or agreement, or breach thereof, shall be settled by arbitration in accordance with the Commercial Arbitration Rules of the American Arbitration Association, and judgments upon the award rendered by the arbitrator(s) may be entered in any court having jurisdiction thereof.
