

1006

Rock crawler built 1994 jeep YJ, with 96,000 original miles!

All work done by a master mechanic!

The engine is the infamous 2.5L 4 cylinder. The engine was balanced in 2001 for great performance and longer life! Coupled with the indestructible NP-231 T-case.

A GM sm420 heavy duty granny 4 speed transmission. Ford 8.8 axles with a 60-1 gear ratio.

Rear axle is trussed with a open differential to swap in for daily driving. Front axle has an air locker for quick locking. Bomb proof brand starter. You can start jeep on a hill with no clutch!

Fully rhino lined inside the jeep. Comes with the original carpet if you want to put it back in.

Big warren winch with remote. Poison spider roll cage! Poison spider rocker bars! The jeep has 37x14.5 M/T tires with great tread life left! Two extra tires to take emissions test with. Jeep comes with a complete build record that details every process this vehicle has undergone!

Completely ready for any and every trail anywhere!
