This Certifies That Mr W. S. Carlile is the owner of

one SHARES of FIVE DOLLARS each, of the PREFERRED CAPITAL STOCK of THE COLUMBUS SUBSIDIARY OF THE LUMBWA INDUSTRIAL MISSION, fully paid and non-assessable and non-taxable, which is transferable only after the death of the owner and preferably then to a person who will appreciate and continue the helpful spirit of this movement.

Baxter Royalty Company

Baxter Springs, Kans., Jan. 17th, 1921.

To the Stockholders of

THE BAXTER ROYALTY COMPANY OF ARIZONA:

The annual meeting of the stockholders was held in Baxter Springs, Kans., January 15th, 1921, at which the following directors were re-elected: O. D. Mabery, W. A. Schrei, Thos. Timothy.

The treasurer, Mr. Thos. Timothy, made his report as follows:

Statement of Baxter Royalty Company, December 31st, 1920.

Capital Stock	-	-	-	-	-	-	-	-	\$10,000,000.00
Profit and loss (depletion)	-	-	-	-	-	-	-	-	55,920.96
Stock discount	-	-	-	-	-	-	-	-	\$ 8,306,907.94
Treasury stock	-	-	-	-	-	-	-	-	1,526,303.00
Stocks and bonds	-	-	-	-	-	-	-	-	179,747.21
Liberty Bond	-	-	-	-	-	-	-	-	1,000.00
Baxter National Bank	-	-	-	-	-	-	-	-	41,962.81

\$10,055,920.96 \$10,055,920.96

Depletion has not been figured for 1920, but that will not make any difference in the amount of cash on hand, which is the principal factor.

At the director's meeting, which followed, the following officers were re-elected:

W. A. Schrei, President.

O. D. Mabery, Vice President.

Thos. Timothy, Sec'y. and Treasurer.

At the director's meeting, November 15th, a liquidating dividend of four mills was declared to stockholders of record January 5th, 1921.

The only other dividend paid by the Baxter Royalty Company was three mills in 1907.

The company met with a number of reverses in its earlier career and in 1915 when your present president became interested the company was over \$25,000.00 in debt. He had not previously been connected with the company but as the saying is was willing to get his feet wet. He advanced his own money to re-finance the company and in 1918 the last of the debts were paid and a little money put into the treasury. Since that time we have gradually been accumulating a little cash and we were in hopes to be able to declare a dividend of 1-2 of one per cent but beginning with October, 1920, the zinc industry became so depressed that we now feel we are fortunate to be able to distribute even four mills. None of the mines on the leases in which the company is interested have been running since October and we do not expect any income for the next six months. In fact it is doubtful if the company will ever again earn very much as the mines are getting more and more into the hands of the larger companies with smelter connections. Our leases also will soon expire and under the recent Government ruling it will be impossible to get them renewed on a basis where there will be any profit to the company. The best lease we have will expire in September, 1922, and there is some question as to whether or not the two mines located on this lease will open again as the ground is not so rich as it was and the companies lost about all they had during the latter part of 1920.

You will notice the treasurer's report shows \$41,962.81 in the bank. Also \$1,000 liberty bond. From this will be deducted the dividend which we are distributing, amounting to \$33,894.79, and the balance, about \$9,000.00, we are holding awaiting the decision of the Government on our income and excess profit tax. Under the law mining companies are allowed a depletion and accordingly we figured that our depletion more than wiped out our profits, but the Internal Revenue Department now comes back with a bill for \$6,600.00 for 1918. We have been corresponding with them with a view of reducing this considerably but no decision has as yet been reached and in order to be safe we must hold back sufficient to pay these taxes. We also do not know what our 1920 taxes will be and the \$9,000.00 we have left may not even be enough to pay the Government.

We wish to apologize for not mailing annual statements to all of our stockholders in the past. When your president first took hold he was paying debts and expenses out of his own pocket and as the company had not issued any statements for some years previous he hardly felt like telling the 4000 stockholders that the company was in debt and he wanted his first report to contain something substantial for the stockholders instead of a prediction of what they might expect in the future. We will endeavor to issue the usual annual report a year hence but we feel positive in advance that it is not going to be favorable, as we will do well if we make expenses the present year.

We have tried to cover the ground fully in order to avoid individual inquiries from the stockholders, as it costs us a lot of money and time to answer these and we wish to avoid all unnecessary expense. Please rest assured that we will do our very best for the interests of the company.

We neither buy nor sell any stock nor do we know of any market for it. We are simply running the property to get the most out of it for the present stockholders and cannot answer any inquiries regarding the value of the stock or market for it.

Enclosed find dividend check.

Yours respectfully,

BAXTER ROYALTY COMPANY,

W. A. SCHREI, President.

Dear Friend:-

on 565 shares

We are enclosing to you check covering final dividend of 10% on your stock in The King Knob Oil and Gas Company, covering your proportion of the proceeds of the sale of all their property and holdings.

The Corporation has been cancelled, all debts have or will be paid, and Charter surrendered. We had, after sale of properties, cash \$4164.41, final dividend of 10% on stock \$3913.30, leaving \$251.11 to pay debt, taxes, and expenses incident to cancellation of Corporation.

The Directors figured that there might be a small balance left after the expenses had been paid, and they voted to give this to the Secretary as compensation for work done.

The Secretary wishes to take this opportunity to thank the Stockholders, one and all, for the confidence and courteous treatment he has received from them in the twenty years he has been privileged to serve them.

With best wishes for a happy and successful future, I beg to remain
