Note: This section shows Market Value, Assessed Value, Exemptions, and Taxable Value for taxing districts. Because of changes in Florida Law, it is possible to have different assessed and taxable values on the same property. For example, the additional \$25,000 Homestead Exemption and the non-homestead CAP do not apply to public schools, and the Low Income Senior Exemption only applies to countywide and certain municipal millages.

Activity	Status	Description
CE20003413	CMPL	Created On 3/6/2020 4:21 PM Service Request Number SR349137 Fence is over 8ft in height it's high enough to block the view of 2 untagged tractor trailers which are 13'6" high. So the wood fence and sheet metal gates are at least 14ft high
CE19015859	CLNO	Service Request Number SR321851 The wooden fence next to the building is 10ft tall maybe taller. They appear to be running a business with signs advertising said business to road traffic. Also there is a lot of clutter behind the Jurassic Park looking wood fence they built.
