You are going to Havana, Cuba!

Get there before its historic charm disappears. It is an extra-ordinary place, like nowhere else on earth. It is full of contrasts, with old colonial buildings, amazing vibes, old cars, Cuba Libre, phenomenal music, wonderfully blue ocean, great food, and fascinating history. Don't miss our most popular tour to Vinales Valley, a UNESCO World Heritage site and cigar farm. Step back in time to see the traditional techniques are still in use for agricultural production, particularly of tobacco.

THIS EXPERIENCE INCLUDES:

- **7 Days and 6 Nights accommodations in Havana**
- **Airport pick up and delivery with personal meet and greet**
- **Assistance with the required Cuban Visa Documentation**
- **Old Havana Walking tour, Modern Havana Convertible tour, Hemingway tour**
